* Employment status by disability status was determined only for the 16 to 64 year old population.
** Poverty universe includes everyone EXCEPT (1) persons in institutions, military group quarters, and college dormitories and (2) unrelated individuals under 15 years old (children who are not related family members).
Employment status by disability status was determined only for the 16 to 64 year old population. Hispanic or Latino origin is NOT considered a race. People who reported themselves as Hispanic or Latino are also counted in the seven racial categories shown. For Census 2000, persons could report more than one race, but the seven racial categories shown are mutually exclusive and include everyone.

* Employment status by disability status was determined only for the 16 to 64 year old population.

** For Census 2000, persons could report more than one race, but the seven racial categories shown are mutually exclusive and include everyone.

*** Hispanic/Latino origin is NOT considered a race. People who reported as Hispanic/Latino are also counted in the seven racial categories.
